

INVOPAK

Over 60 years involvement
in packaging containers

PVC and PET Jars

A huge range of glass clear but virtually unbreakable jars available in a multitude of shapes and sizes ideal for displaying the contents to maximum effect. Completed with a variety of clear and coloured closures, applications for these versatile jars are virtually endless.

Materials

Manufactured from PVC and PET to give high quality clear transparent finish.

Capacities

Jars available from 125 ml - 5.6 litres. PVC jars available in a variety of shapes with a standard 105 mm neck or cap. All containers available with a range of coloured lids.

Printing Options

Labels or stickers can be applied by customer.

Applications

Health, foods, animal feeds, confectionery and general storage of small components where a transparent container is required.

Supply

Available in pallet, layer or box quantities.

Sales: 0870 606 4686
