

INVOPAK

*Over 60 years involvement
in packaging containers*

Plastic Tubs and Buckets

Manufactured by Jokey Plastik, Europe's largest producer of injection moulded containers. An all encompassing range of shapes (round, square, oval and rectangle) and sizes from 100 ml – 30 litres available in a choice of colours with metal or plastic handles. Containers may be offset or IML printed. Used in a limitless variety of applications. Certain sizes have UN approval for hazardous goods.

Materials

Injection moulded from high grade polypropylene with a choice of metal or plastic handles. Larger sized containers have moulded side handles.

Capacities

Tubs come in a range of sizes from 120 ml - 1.1 litre and buckets from 1 litre - 30 litre. Available in round, square, rectangular and oval formats.

Printing Options

Depending on quantities there are a variety of printing options available from high quality off set printing up to high definition finish via in-mould-labelling.

External and Internal Finishes

Standard range of buckets white and black with certain sized tubs and buckets available in a crystal transparent finish. Other standard colours available upon request.

Applications

Foods, pharmaceutical, chemical, paints and construction.

Supply

Available in pallet and sleeve quantities.
