

INVOPAK

Over 60 years involvement
in packaging containers

Polypropylene Screw Cap Jars

These jars are available in white and natural PP and commonly used for the packaging of powders, pastes, creams and gels. Used extensively in the health and personal care market, they can be supplied with tamper evident caps and sizes range from 65ml to 2.0 litres.

Materials

Manufactured in food grade polypropylene. Supplied in a white finish and available with a choice of screw cap or tamper evident closure.

Capacities

Available in a range of sizes from 65ml to 2 litre with lids available with or without a wad.

Printing Options

Variety of printing options available, depending on quantities, from a simple in-house process to a high definition finish.

Applications

Powders, pastes, solids, gels, balms and general components.

Supply

Available in box quantities.
